

Office of the Mayor  
Pete Schnert

# P Proclamation

**Whereas:** Water shortages are projected by the Environmental Protection Agency to become severe in most regions of United States by 2013, with Ohio among the 36 states identified as an area targeted for supply problems; and

**Whereas:** The American Standard Responsible Bathroom Tour is partnering with local businesses, contractors, environmental officials and residents in a locally-based media and community engagement campaign to promote water conservation; and

**Whereas:** MacDonald Supply and the American Standard Responsible Bathroom Tour will host a public event on Thursday, July 29, 2010, at 425 East Lincoln Street in Findlay to create awareness of the issues related to water use and the water-efficient and money-saving products available to consumers.

**Now, Therefore,** I, Pete Schnert, Mayor of the City of Findlay, Ohio, do hereby proclaim July 29, 2010, as:

## Water Conservation Day

In Findlay, and encourage citizens to participate in the Responsible Bathroom Tour campaign as part of the City's long-term strategy to ensure an adequate, affordable freshwater supply for all residents and businesses.

**In Witness Whereof,** I have hereunto set my hand and caused the seal of the City of Findlay, Ohio, to be affixed this 29<sup>th</sup> day of July 2010.

  
Pete Schnert, Mayor

### PROCLAMATION FOR WATER CONSERVATION DAY OBSERVANCE

WHEREAS, the City of Wautoma seeks to engage residents and businesses in a long-term water conservation awareness effort.

WHEREAS, water shortages are projected by the Environmental Protection Agency to become severe in most regions of the United States by 2013, with Wisconsin among the 36 states identified as an area targeted for supply problems.

WHEREAS, the American Standard Responsible Bathroom Tour is partnering with the City of Wautoma, in conjunction with local businesses, contractors, environmental groups and residents in a locally-based media and community engagement campaign to promote water conservation.

WHEREAS, Mid-State Supply and The American Standard Responsible Bathroom Tour will host a public event on August 10, 2010, at W7810 State Road 21 to create awareness of the issues related to water use and the water-efficient and money-saving products available to consumers.

BE IT RESOLVED that the City of Wautoma proclaims August 10 as Water Conservation Day, encouraging local citizens to participate in The Responsible Bathroom Tour campaign as part of the city's long-term strategy to ensure an adequate, affordable freshwater supply for all residents and businesses.

Dated this 2<sup>nd</sup> day of August, 2010.

The Village of Valley View - Office of The Mayor  
July Twenty First, Two Thousand and Ten

A Proclamation In Observance Of  
Water Conservation Day

**Whereas,**

The Village of Valley View has experienced periodic shortages in freshwater supplies during peak demand periods and seeks to engage residents and businesses in a long-term water conservation effort.

**Whereas,**

Water shortages are projected by the Environmental Protection Agency to become severe in most regions of United States by 2013, with Ohio among the 36 states identified as an area targeted for supply problems.

**Whereas,**

The American Standard Responsible Bathroom Tour is partnering with the Village of Valley View, in conjunction with local businesses, contractors, environmental officials and residents in a locally-based media and community engagement campaign to promote water conservation.

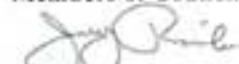

**Whereas,**

Robertson Heating Supply and the American Standard Responsible Bathroom Tour will host a public event on Wednesday, July 21 at 6065 Towpath Drive in Valley View to create awareness of the issues related to water use and the water-efficient and money-saving products available to consumers.

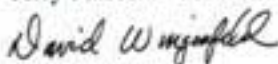

**Now, Therefore, Be it proclaimed,** that the Village of Valley View designates July 21 as:

Water Conservation Day, encouraging local citizens to participate in the Responsible Bathroom Tour campaign as part of the village's long-term strategy to ensure an adequate, affordable freshwater supply for all residents and businesses.
