3 day fishing excursion for 2 at Halley's Camps

Passport Required

This is our invitation to you to experience a truly fantastic Canadian fishing trip - whether you choose one of our all inclusive lodges, our housekeeping camp, or one of our fly in outpost locations, you will be sure to experience the

fishing vacation that makes our guests return, year after year, generation after generation. We are proud of our family's commitment to the tourism industry. You can rest assured that our name is your guarantee.

If your fishing passion is a trophy northern pike or musky, a panful of sizzling walleyes for shore lunch, or to catch so many smallmouth bass in one day that your reel threatens to overheat, you can find what you want in a Canada fishing trip at one of our Ontario fishing vacation locations!

Luxury, comfort and convenience in the Canadian Wilderness; where everyone is treated like family!

At Kettle Falls, you are treated like family in an all-inclusive setting. Fly in or boat in to this remote Ontario fishing lodge, located on the Canadian English River. The English River offers some of the best walleye fishing in Canada. The waters are filled with Walleye, Smallmouth Bass and Northern Pike. All of the fishing and living equipment at Kettle Falls is in top-notch condition. We use what some anglers regard as the best fishing boat ever designed, the 17-foot Lund Outfitter, matched with fuel-efficient 4-stroke motors.

We have a team of experienced outdoorsmen who will guide you to the best fishing spots in Canada. At noon, your guide will build a fire and cook a memorable feast of fresh-caught Walleye. An unbeatable way to enjoy your Ontario, Canada Walleye fishing vacation!

The main lodge is composed of massive hand-hewn spruce logs. The oversized fireplace is built from Canadian granite. Two ancient Newhouse bear traps hang alongside the entrance, and giant moose heads glare from the wall. It's an imposing sight, but the aroma of fresh baking and laughter from the girls in the kitchen make you feel right at home the moment you arrive. Kettle Falls Lodge hosts George and Sharon Halley will make sure of it.

Don't plan on sticking to your diet while you're visiting Kettle Falls Lodge. The coffee is always hot and the bar is well stocked with your favorite brands. Sharon's home-cooked meals, cookies and pies will have you lingering at the table, even when it's time to hit the water.

In the evening, you can spend your fishing vacation relaxing in our modern cabins. Each one is equipped with a 3-piece bath, comfortable twin beds and a wood-burning stove. All bedding and towels are supplied and daily maid service is provided. Whether you're a fishing party of two or a corporate group of 45, you'll feel right at home at Kettle Falls.

Kettle Falls Lodge is an all-inclusive lodge. That means meals, accommodations, and everything else you need for your Northern Ontario fishing adventure is included, except alcoholic beverages, guide service, and your gratuity. All you need to bring for an exciting Canada fishing vacation are your personal items

and your fishing gear! Guide service is recommended, but optional. Now available to guests at Kettle Falls Lodge is wireless internet access. The internet is only accessible from within the Lodge vicinity, and guests are welcome to use their personal laptops in the lounge area.
